Leo M. Drozdoff, P.E., Director

DIVISION OF ENVIRONMENTAL PROTECTION

Colleen Cripps, Ph.D., Administrator

Public Notice

Web Posting Date: 11/15/11

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for renewal of water pollution control discharge permit #NEV2006506 from the following applicant:

City of Sparks
431 Prater Way
Sparks, Nevada 89431

The applicant operates eight irrigation and dust control sites. The applicant proposes to continue utilizing treated effluent (reclaimed water) for irrigation of turf/ landscaped areas and dust control for a construction site. Reclaimed water is generated by the Truckee Meadows Water Reclamation Facility, permit number NEV2006506.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended and implementing regulations, the Administrator proposes to renew a permit to discharge, subject to certain effluent limitations and special conditions. The permit will be renewed for a period of five (5) years. Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than **5:00 P.M. on December 19, 2011**, either in person or by mail to:

Division of Environmental Protection
Bureau of Water Pollution Control
901 S Stewart Street, Suite 4001
Carson City, Nevada 89701-5249

Comments and/or hearing requests received via facsimile or e-mail before **5:00 P.M. on December 19, 2011** will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Jason Ferrin, Bureau of Water Pollution Control at 775-687-9502, or via email at: jferrin@ndep.nv.gov. The facsimile number is 775-687-4684. This notice and the Fact Sheet for this facility are also available on the NDEP website at www.ndep.nv.gov/admin/public.htm.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
